Dear Jim:

I am enclosing another Confidential Record Sheet which I would like to have completed, so we can identify Mr. Gromack and make certain he does not register with the Boy Scouts of America. Please complete this with as much information as you have available.

We feel we have everything else we need that will substantiate our refusal of registration. If you have anything else available which you feel will be helpful, please do not hesitate to send it.

Thanks for your help in completing this file.

Sincerely,

Dear Jim:

I hate to bother you again, but I really must have a Confidential Record Sheet if we are to keep Mr. Gromack on our file and refuse registration anywhere he might attempt it. I am enclosing another Confidential Record Sheet which I would like to have completed, so we may identify him anywhere in the country.

We really appreciate the information which you secured from the police department. This information is most helpful and if we cannot receive court records or newspaper clippings, this certainly will be adequate at this time.

Thanks for your help in completing the necessary personal information for identification purposes.

Sincerely,

Paul Ernst, Director

Dear Jim:

I really appreciate the material you sent us in September concerning the above named individual. This will help to make certain registration can be refused in the future.

We are enclosing a Confidential Record Sheet which we would like to have completed, so we may identify Mr. Gromack should he attempt registration in some other location. A copy of a paper with his signature would be helpful.

Is there anyway you can secure a copy of a newspaper clipping or other material which would substantiate his conviction in 1987? This would then strength our file.

Thanks for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director

Dear Paul:

Enclosed are the two items we spoke about, concerning the revocation of registration for Gary Gromack and James Lawlor.

In each case, local police authorities have shared arrest record information, verbally, but have declined to provide or allow copies. The attached news release pertains to Mr. Lawlor's situation.

Please let me know if anything further is required of this council.

Sincerely,

James W. Kay

Mr. Gary Gromack  
[REDACTED]

Hazlet, New Jersey 07730

Dear Mr. Gromack:

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted. The procedures for a review of this decision are attached.

Sincerely yours,

John Kay  
Council President
